

Welcome

General Protection Data Regulations

A short Presentation on the new legal requirements on
holding Personal Data in Plus

Why

New legislation been introduced will impact in Plus and other organisations, hold personal data such as Membership records.

A Quick Guide to the GDPR

- * Watch this video for a leading UK HR legal specialist about GDPR

<https://youtu.be/7mMnDsp7Weg>

What Does Plus do Next?

- * Current system has been in place since 2006
- * Conduct a Review / Audit of Membership Systems and Personal Data
- * Examine consent on membership forms.
- * Plus needs to update its Procedures by holding workshop(s)
- * Document these activities

Current State of Legislation

- * Bill was introduced to Parliament on 13/09/2017 in the House of Lords [Bill 153 of 2017 / 2019 Session]
- * Bill is currently scheduled to have its Second Reading in the House of Commons
- * Will come into force across Europe (EU) on the 25 May 2018
- * European Law will still apply
- * ICO is the lead UK Regulator

What Does Plus Action Next

- * Workshop to update Membership Policies and Procedures
- * Review / Audit of Data held by Plus at present
- * Review means of consent to hold personal data
- * Update Job Descriptions for National GPC and Area Membership Officers'

Conclusions

- * Members will need to be informed how their Data is been kept, managed and reasons for Plus holding it.
- * An updated Membership System needs to be introduced
