

Independent Examiner's report to NAGM 2023

I have audited the National accounts, and also the separate event accounts, for 2022.

I can confirm the closing bank balances as at 31/12/22 were:

- National £15,253.64
- NAGM £2,994.50
- Spring Holiday £4,937.50
- 80ish £235.01

The Federation's net worth as at 31/12/22 was £22,809.15 (as shown on the balance sheet).

The National accounts have been maintained to a high standard, and it is my belief that they are accurate.
