

Vice President Report

Report to conference. During my year I have continued supporting National, the Area and Group I reside in by attending a great deal of the meetings, communicating on line, filling in positions and running / aiding running events. I have failed to find the time to publish the National Directory due to being too busy, the wonderful complications of GDPR and around a 15% response rate for information. Let us all work to try to correct this useful tool this year. My contact details for information to be included in the National Directory: Adrian Barnard, 21 White Leys Close, Didcot, Oxon. OX11 7LP. abarnard@jet.uk , abarnard03@outlook.com 01235 810361h, 01235 464344w, 07929 717381m. Directory information to include: Group, meeting times – day, frequency, address, Chairmans details for re-issue in directory, as indeed also secretary, treasurer, activities, publicity, general – or indeed what ever title you may have voted someone into whom is happy for the purposes of communication to have whatever contact detail shared by those whom have also agreed to this. Same for Areas and National officers please. It's here, in the report in writing, please act on it.

Adrian Barnard.
