

## NFO Report 2023

I have been unable to make it to actual NEC meetings due to ankle problem and distance of meetings have attended majority by zoom just missed the November one as was clashing with the date I had available to celebrate Harry birthday.

I won't be re-standing as NFO as I am not in a position to rejoin plus at this time due to being unemployed and difficulty to have someone to look after Harry. I hope to rejoin once I am in employment again.

Will be connecting to the AGM by zoom as don't have anyone to have Harry.
