Plus Anglesey Alternative Walking Weekend 2012

In 2012 The National Federation of Plus Areas offers an opportunity to its members to be surprised by a land of drama in terms of history, scenery, wildlife and geology. The Isle of Anglesey is rich with the history of Celts, Vikings and Romans. The geology and scenery is diverse and stunning.

Accommodation is a sixteen bed bunkhouse with full board in a coastal part of Anglesey near Holyhead. This provides an excellent base to explore the countryside around North Wales.

A number of breathtaking rambles are planned, giving the opportunity to explore this Isle using the coastal path. The terrain and weather is varied so please bring walking boots and clothing layers to cope with a rainy summer.
