

National Federation of Plus Areas

Plus Qualification in Health & Safety

Don't learn safety by accident! Run events without pain!

Earn a professional qualification with Plus and build your career

24th March 2012
9.00 am - 5.00 pm

Chasewater Innovation Centre
Chasewater Country Park
Pool Road
Burntwood near Walsall
Staffordshire
WS8 7NL

£50.00 per member max 12

Book by 3rd March 2012

The course will cover the following topics:

- accident preparation
- management of safety
- risk assessment
- responsibilities of employers and employees
- common causes of incidents
- the importance of design to safety

The National Federation of Plus Areas is offering an opportunity to its members to obtain a CIEH Level Two in Health & Safety in the Workplace, an industry standard qualification that will enable the successful participants to fulfill roles as managers, supervisors and organisers.
