

### **DIRECTIONS TO WASH 2010 BY CAR**

To get to Manor Park in Hunstanton by car, first find North Norfolk on your road atlas.

If travelling from Kings Lynn direction, get yourself onto the A149 heading around the coast to Hunstanton & Cromer. On this road, shortly before entering Hunstanton you will pass the Heacham Lavendar Farm on the right. After entering Hunstanton you arrive at a roundabout. Take the 2nd exit, down Oasis Way & at the next roundabout take the first left. the entrance to Manor Park can be found around 100 metres on the right. Drive up the roadway into Manor, until you come to the reception area by the main venue. Please park your car here & come into the reception with the booking in slips & membership cards/receipts. Once you have your pass & caravan keys, you should move your car round to the area by your caravan, taking care if the site is muddy.

If coming from Norwich direction, head out on the A1067 to Fakenham. Just before Fakenham keep following signs to the A148 to Kings Lynn - there are several roundabouts to negotiate. Once on the A148 to Kings Lynn, after a few miles, turn right up the B1454 towards Docking (there is a petrol station on the A148 just after this junction). Remain on the B1454 until you reach a T junction, where the Heacham Lavendar Farm is on your right. Turn right onto the A149 to Hunstanton & from here follow directions as shown above.
