

## **Constitution Status Notes 070206**

The following notes relate to Constitution and Standing Order documents with issue numbers as indicated below.

Please note that these documents are provisional and may be subject to technical amendments prior to formal release with the ANC agenda papers.

The documents are intended to implement the Area Lead option as far as is reasonably and legally possible but have also been designed to allow flexibility when the organisation expands in the future.

A very few cross-referencing errors have slipped through the net as follows:

### ***National Constitution (Joe's version 3.1).doc***

Section 4.3.3 – “7.3.3, 7.3.4 and 8” should read “6.2, 6.3 and 8”

Section 6.5 – Article 4 should be Article 5.

### ***National Standing Orders (Joe's Version 3.1).doc***

Section 2.4.3.1.5 – “2.4.4.1.1 to 2.4.4.1.4” should read “2.4.3.1.1 to 2.4.3.1.4”

### ***Model Area Constitution (Joe's Version 4.1).doc***

Section 9.2.3 – “8.1” should be “9.2.1”

### ***Area Standing Orders (Joe's version 1.0).doc***

These are merely an outline much as the existing standing orders are.

### ***Standard Group Constitution (Joe's Version 2.0).doc***

All cross-references appear to be o.k.
